PROFILE

Motivated and passionate Master of Computer Science graduate proficient in Python, C#, JavaScript, and PostgreSQL. I aspire to work as a Software Engineer to solving real-world problems. I offer collaborative teamwork, excellent communication, time management and technical abilities.

EDUCATION:

Master of Computer Science (Jul 2023 to Nov 2025)

Edith Cowan University, Joondalup, WA

Course GPA: 3.75 | **Course WAM:** 79.667

Bachelor of Science in Computer Science and Engineering (Dec 2014 to Feb 2019)

Khulna University of Engineering and Technology, Khulna, Bangladesh

COURSE PLACEMENT:

Western Australia Police Force, WA

Security Risk Officer Work Experience Student | Government Agency | 15 Weeks (Jul 2025 to Nov 2025)

- Developed a compliance tool in WPF framework following MVVM architecture.
- Handled PowerShell Script Execution, File I/O, Mail merge and other long operations asynchronously using Task and Cancellation Token.
- Prepared software security risk assessment report aligning Essential Eight Maturity Level 2.

EMPLOYMENT HISTORY:

AICODE Australia, WA

Teacher | STEM Education | Casual (Nov 2023 to May 2025)

- Delivered engaging STEM contents to students across Year 3 to Year 12 and prepared worksheets.
- Provided block-based programming lessons in Scratch, Mind+ to control programmable devices.
- Ensured safety with equipment like goggles and guided to handle devices with care.

Brain Station 23, Dhaka, Bangladesh

Software Engineer | Software Company | Full-time (Jan 2022 to Jun 2023)

- Contributed to a complex automated backend operation of Odoo ERP, integrating PrestaShop and Mirakl Online Marketplace APIs for seamless product management across 8+ countries.
- Improved operation performance by refactoring code and optimizing database queries.
- Applied best practices, clean code, SOLID principles and code documentation.

Apsis Solutions Ltd., Dhaka, Bangladesh

Software Engineer | Software Company | Full-time (Sep 2020 to Dec 2021)

- Assisted the team in working with diverse technologies, including Apache Cordova, Flask and Odoo.
- Implemented interactive UI with CSS and jQuery to enhance user experiences.
- Developed and maintained custom modules on Odoo's cloud server (odoo.sh).

SKILLS SUMMARY:

Technical Skills

- Proficient with **Python, C#, JavaScript, jQuery**, HTML, CSS used in customizing and developing Odoo modules, WPF application, Flask and FastAPI backend.
- Developed standalone windows application in **WPF** framework during placement at WAPOL.
- Skilled in writing efficient database queries using **PostgreSQL**.
- Integrated data across multiple API Protocols i.e. PrestaShop (REST), Odoo (JSON-RPC), DHL (SOAP).

Software, Operating Systems, Tools

- Utilized VS Code, VS Community, PyCharm and pgAdmin for coding and database management.
- Used **Windows** and **Ubuntu** as development environment.
- Followed **Git** convention for version control and **Jira** guidelines for project management.
- Tested API using **Postman** and used **PuTTY** to connect with test and production server.

Communication, Collaboration, Teamwork

- Worked in small to mid-sized team in multiple workstations and university projects.
- Provided guidelines and acted as judge at AICODE Australia event.
- Demonstrated strong communication by noting client requirements, clarifying tasks at workplace.
- Conducted development sessions to share insights, present findings, and discuss practices.

PROFESSIONAL DEVELOPMENT:

- **CICD with Git GitLab Jenkins, Docker and Django**. [Cert URL: [udemy/cicdgitjenkin](https://www.udemy.com/cicdgitjenkin/)] (Aug 2022)
- **Introduction to Database Engineering**. [Cert URL: [udemy/dbengineering](https://www.udemy.com/dbengineering/)] (Jan 2021)

PROFILES:

- HackerRank – (5 Verified Skilled Certificate) [hackerrank.com/mananchakma32]
- LeetCode – (Easy: 61, Medium: 48, Hard: 2) [leetcode.com/Manan-Chakma/]
- Codeforces – (48 Problems Solved - codeforces.com/mananchakma)

AWARDS

- Outstanding Instructor Award, AICODE Australia Pty Ltd. (Mar 2024)

ADDITIONAL INFORMATION

- Driver's Licence: WA C-A Class License
- Visa: Temporary Graduate (Subclass 485)
